

# Municipal and Community Partner Training & Exercise Planning Workshop

---

Thursday, February 8th, 2018  
1pm-3pm

## What is a TEPW?

A Training and Exercise Planning Workshop is to review program accomplishments to date, identify training and exercise needs, and to synchronize and coordinate training and exercise opportunities in order to avoid duplication. This workshop will provide an excellent opportunity for municipalities, emergency response organizations, healthcare organizations, the private sector, regional and other partners to coordinate exercises collectively and develop a plan to increase preparedness through training and exercises.

This year's TEPW will focus on exercising with Municipal Partners and Community Stakeholders

## Who should attend?

- Police/Fire/EMS
- Community – Faith Based Organizations
- Local EMCs
- Hospitals
- School Districts and University's
- Private Sector

## What to bring?

If your organization has a training and/or exercise plan, after-action reports from past exercises, grant requirements, accreditation standards or priorities please bring those to the workshop.

## Where is the TEPW?

Chester County Public Safety Training Campus, 137 Modena Rd, Coatesville, PA 19320
